Welcome

Welcome from all of us in the Dakota Power group. We are truly grateful for your interest in our programs and the opportunity to present to you an exciting set of Simmental genetics.

This year has been a bit of a roller coaster ride with record high cattle prices and then with the correction in the market that most of us in the cattle business believe has gone too far, but as of late the markets are trending the right way again, upward. Hopefully most ranchers sold early this year and didn't feel the pinch.

As many of you may already know that we have decided to take our partnership with DVAuction to the next level and offer a full video service auction. No bulls will be run through the ring all bulls will be housed in the back as usual for your viewing and evaluation. This decision was not taken lightly but it is hard to find enough family, friends and neighbors to help with all the details of putting on a sale. We also thought it was the perfect time to transition because a lot of our customer base have sold their calves via video auction in one form or another even in the sale barns they now offer video and internet bidding.

As a group we work together to offer you a set of bulls that are functional. It is a pleasure to work together as a group and bring you a set of cattle that are similar in type and kind, as our philosophies in raising cattle are on the same track. We aim to please, our goal is to offer you the best set of cattle, numbers and genetics available at one place at one time.

This is the most powerful set of bulls we have ever offered. As a group, each and every year we expect to offer you a set bulls superior to those before.

This set of bulls will have what you are looking for. Look through the offering, find what you like and give any of us a call to discuss your needs. We are always happy to lend a hand in finding the right bull and genetics to fit your operation.

We are very excited about this 2016 offering. On February 8th, we will bring another great group of bulls to offer you a superior set of genetics.

Sale Terms

All cattle sell under the recommended
Sale Terms and Conditions of the American Simmental
Association and are available by request. 1/3 semen
interest will be retained by breeder on all lots.

Delivery

Free delivery within the state. We will provide free
keep on the bulls until April 1, 2016. After April 1, 2016
there will be a charge of \$2.00 per day.

Guarantee

Bulls will be 100% guaranteed to semen test and breed. If
bulls are taken home to feed until April 1, 2016 risk is at the
buyer's expense. It is suggested that all bulls be insured.
